

Carmarthenshire Celebrates ...

The Coopers Arms: Betws Road, Ammanford

"I would like to put forward our local public house, The Coopers Arms, as a Carmarthenshire Lockdown Legend. At a time of great difficulty for many they transformed the pub into 'Siop Y Coopers' which has been an invaluable community hub for us all. They have been delivering meals, cakes, treats, gluten free products and even hanging baskets to brighten my garden. Nothing has been too much trouble and they have expanded their deliveries to areas outside of Betws. The Coopers team have looked after the vulnerable, elderly, and those shielding with free delivery and a smile. They have made lockdown bearable". **CAVS Salutes You**

Sir Gâr yn Dathlu ...

Y Coopers Arms: Heol Betws, Rhydaman

“Hoffwn gyflwyno ein tafarn leol, The Coopers Arms, fel Arwr Cyfnod Cloi Sir Gâr. Ar adeg o anhawster mawr i lawer fe wnaethant drawsnewid y dafarn yn ‘Siop y Coopers’ sydd wedi bod yn ganolbwynt cymunedol amhrisiadwy i ni i gyd. Mae nhw wedi bod yn danfon prydau bwyd, cacennau, danteithion, cynhyrchion heb glwten a hyd yn oed basgedi o flodau i fywiogi fy ngardd. Nid oes unrhyw beth yn ormod o drafferth ac maen nhw wedi ehangu eu danfoniadau i ardaloedd y tu allan i Betws. Mae tîm y Coopers wedi gofalu am y bregus, yr henoed, a'r rhai sy'n cysgodi, gyda danfon am ddim a gwên. Maen nhw wedi gwneud y cyfnod cloi yn fwy goddefadwy”.
